4 STUDENT'S AFFIRMATION

I understand that I am committed to completing my academic plan as shown on this form, and that if I am not able to complete this plan, MIT is not obligated to give me further consideration for additional grant aid.

Further, if I have additional difficulties with my academic plan, I will contact both my academic advisor and my financial aid counselor to explain the circumstances preventing me from following through with my plan and the details of my revised plan. I am aware that once all of my requirements for graduation are met, I am no longer eligible for federal financial aid. I also understand that if I am seeking a second major, that if one my majors' requirements for graduation are met, it will prevent my eligibility for some forms of federal financial aid.

Please note that your signature supports the student's academic plan as valid and that it meets the degree requirements of the student's major as well as the General Institute Requirements.
