Request for MIT Scholarship aid beyond the standard number of terms
Academic year 2024–2025

Please complete this form if you will be enrolled beyond the standard number of terms (eight terms if you entered as a first-year student and six if you entered as a transfer student) and are interested in receiving a need-based MIT Scholarship. This form is due March 1, 2024, in order to be considered for the 2024–2025 academic year. In addition to this form, you must complete all financial aid materials by the February 15 aid application deadline. Please note: Once you complete all of your undergraduate degree requirements and have been enrolled for the standard number of terms, you no longer qualify for an MIT Scholarship or federal financial aid as an undergraduate.

REQUEST FOR MIT SCHOLARSHIP AID BEYOND THE STANDARD NUMBER OF TERMS

3 STUDENT STATEMENT

Please explain the circumstances that have led to your request. Why should you be considered for more than the standard number of terms of MIT Scholarship aid? What has prevented you from completing your degree in the standard amount of time? Attach an additional sheet if necessary.

4 STUDENT'S AFFIRMATION

I understand that I am committed to completing my academic plan as shown on this form, and that if I am not able to complete this plan, MIT is not obligated to give me further consideration for additional grant aid.

Further, if I have additional difficulties with my academic plan, I will contact both my academic advisor and my financial aid counselor to explain the circumstances preventing me from following through with my plan and the details of my revised plan. I am aware that once all of my requirements for graduation are met, I am no longer eligible for federal financial aid. If I am seeking a double major, I understand that if I meet the requirements for graduation for one major, that it will prevent my eligibility for some forms of federal financial aid.

5 ACADEMIC ADVISOR OR DEPARTMENT ADMINISTRATOR STATEMENT

Please comment on the student's academic plan as detailed in section 2. Is the plan accurate and will it allow the student to finish his or her program within the detailed period? Is there anything further that should be taken into consideration when this request is considered?

Please note that your signature supports the student's academic plan as valid and that it meets the degree requirements of the student's major as well as the General Institute Requirements.
