Student Name:	
MIT ID Number:

I acknowledge that I understand the terms required to participate in sponsored billing offered by the Massachusetts Institute of Technology (MIT).

- MIT must receive the Sponsor Billing Authorization Form directly from my sponsor.
- MIT must receive the Sponsor Financial Agreement directly from my sponsor.
- MIT must receive the Student Acknowledgment Form from student.
- MIT can only invoice sponsor after receiving all three of the required documents listed above and only after all documents have been fully and properly completed.
- Students continue to receive a monthly student account statement. Once sponsor has been invoiced, the Institute will credit student's account in advance of receiving funding.
- Charges assessed to student's account that are not invoiced to sponsor are due monthly as billed.
- Sponsored billing payments are not subject to the same payment due dates as student payments. Students are responsible for monitoring sponsor and ensuring that sponsor pays timely.
- Payment is expected within the first two months of the semester.
- If sponsor fails to pay, the credit applied in advance to student's account will be removed and student will be immediately responsible for paying all charges due on student's account.
- Sponsors will not be billed for previous terms or for any charges that are not posted to student's account.
- A balance on student's account may result in a registration or degree hold and a Hold Assessment Fee.

I understand that I am fully responsible for all charges assessed to my student account, regardless of 3rd party sponsorship.

The Family Education Rights and Privacy Act (FERPA) affords certain rights to students concerning the privacy of, and access to, their education records. I hereby authorize MIT to release my financial records to the above named sponsor for the purpose of invoicing.
